

You are invited to the 2018 Alex Lukens

Faith and Freedom Award Reception

This year's unprecedented political challenges have been met with vigorous public engagement and an energized public. It is a perfect time to honor two long-time inspirational activists who have been defending reproductive rights for decades.

Karen Middleton, Executive Director, NARAL Pro-Choice Colorado

The second distinguished recipient will be revealed at the event and presented the award by Governor Dick Lamm.

Please join us in honoring these heroes.
